

## GET THE FLEXIBILITY YOU REALLY WANT

Globility offers world-class **managed infrastructure**, ideally suited for BPO and contact centres and general office usage. Globility bridges the gap between conventional facilities management and fully-fledged IT outsourcing. We offer you **flexibility** by providing a fully managed environment that can **scale and adapt** to your changing needs.

- Take as much space as you want for as long as you need it
- Flexible terms and at competitive prices
- Concentrate on your contact centre and let us do the rest
- Menu of cutting-edge technologies
- Established partnerships with best-of-breed companies
- Disaster Recovery service included through ContinuitySA
- Benefit from economies of scale
- Unique business model and approach

from **R2770**  
per seat per month

World Class Contact Centre and BPO Infrastructure
