Invitation

Cura Software Solutions and ContinuitySA invite you to the
CuraContinuity BCM Software Launch.

Is Business Continuity Management too expensive, too complex and too time consuming?

ContinuitySA and Cura Software have the solution through the release of a Business Continuity Management software package that guides users systematically through the lifecycle of BCM.

The CuraContinuity Module is set to change the face of Business Continuity Management.

Launch dates:

The Forum – Johannesburg

Wednesday 5th May – 08:00 for 08:30

[*Register Here*](#)

The Westin – Cape Town

Wednesday 11th May – 09:00 for 09:30

[*Register Here*](#)

Limited space available, Book Now
